

Reflect on the weekend

Wrap up

# Did we meet our objectives

- Do you know where to access additional learning material and resources?
- Do you feel more comfortable using Raspberry Pi's in the classroom?
- Are you more comfortable with physical computing?
- Will you use what you have learned in the classroom?
- Did you share experiences?
- Above all, did you HAVE FUN?

# Next Steps for You

## **Newly Certified**

- Use something from Tecademy with your students
- Give feedback to your colleagues at school

## **Community Educator**

- Attend a local meetup
- Write a blog post about your experience

## **Leader in Education**

- Develop teaching resources and share online
- Run a CPD session for other educators near you

# Next Steps for Us

We'll:

- Send you an email with some useful information in.
- Add you to our SLACK network for teachers.
- Ask you to complete an online questionnaire.

# A big thanks to our volunteers and sponsors
